- ↪ Competitive Set = 28%

Where does the money go?

Summary

- What happens in **Atlantic City** skews data for balance of State
- Valuable **Overnight Leisure** fastest growing segment, but **Per Person Per Day Spending** is declining
- **Family Lifestages** spend the most, but represent a small share of travel parties
- **Activity** participation is low, but value is high
- **Transportation** costs and share of travel dollar continue to rise
- New Jersey a "**Close-to-home**" destination
