## We're for making a splash and seeking big thrills.

Feeling adventurous? Your group can take on some awesome challenges—both natural and man-made—in New Jersey. Riding the powerful waves of the Atlantic Ocean. Plummeting down fast and fierce waterslides. Buckling up for one of the world's tallest roller coasters. And getting in touch with their wild side at the zoo or on a whale-watching tour. No matter what attractions you choose to tackle, you can be sure the memories will stay with your group for a lifetime.

### 1-day | WET & WILD ITINERARY:

+ | Wet & Wild Itinerary Add-Ons ▶

If you have only one day in New Jersey, choose from these daring destinations:

#### SIX FLAGS GREAT ADVENTURE & SAFARI

Thrill-seekers will love all of the heart-stopping and height-dropping roller coasters and wild rides. Even the boldest daredevil will be challenged by Kingda Ka—one of the world's tallest coasters—and Zumanjaro's 90-mph, 415-foot vertical drop. The Jackson theme park also features kids' rides, live entertainment and fun events. [sixflags.com/greatadventure](http://sixflags.com/greatadventure)

#### SIX FLAGS HURRICANE HARBOR

Chill-seekers will love cooling off in Hurricane Harbor's dozens of plummeting slides and family raft rides, 696,000-gallon wave pool and relaxing lazy river in Jackson. For the little ones, the waterpark has a massive aquatic, tiki-themed play village with slides and water blasters. [sixflags.com/hurricaneharbornj](http://sixflags.com/hurricaneharbornj)

#### SEASIDE'S BEACHES

Two beaches. Two personalities. Seaside Park is a family-friendly resort town situated at the lower-key end of the area's popular boardwalk. On the more bustling side of the boards is the Seaside Heights of reality-TV fame. No matter which you choose, your group will enjoy a great day at the beach!

But if they'd rather splish and splash the day away, Breakwater Beach Waterpark is just next door with aquatic slides, rides and more!
